RULES

1. Tire size in classes up to 16.9 is 5500. 18.4 can be used in 6500 and up.
2. Drivers under 18 years of age must have parent signature.
3. Pull becomes official after 20 ft.
4. Only rubber tires allowed. Tires may be cut.
5. Drawbar height 20 in. max. measured from top of hole in drawbar (pull point) to the ground.
Minimum length 18 in. from the center of the rear axle to the center of the hole. Only loop or clevis hitch. NO ball or hooks.
6. One tractor can pull in two classes.
7. If tractor or sled touches boundary line, the pull ends.
8. All Antique Classes have a 4 mph speed limit.
9. Add on weights allowed. Weights may extend 11 ft. from the center of the rear axle.

- Weights will be securely fastened. Weights or any objects falling from the tractor while it is hooked to the sled, will be disqualified.
10. Tractors will be weighed with the driver.
11. Tractors being operated in an unsafe manner will be disqualified.
12. Distance pulled will determine the winner.
13. Driver must remain seated at all times.
14. Front end raises more than 18 in. will be flagged.
15. Tractors must retain stock appearance.
16. Factory High RPM, 20% override allowed.
17. Outlaw Classes are any gear - any RPM - scatter shield or blanket required.
18. JUDGE'S DECISION IS FINAL.

NOT RESPONSIBLE FOR THEFT OR ACCIDENTS
